Yoder

We would like very much to bring our ham directory up to date again. It has not been corrected since late 1958.

In order that we might do this, one thing is necessary.....your help!

If you know of anyone in Vanderburgh County who has

- 1) been licensed in 1959, 1960, or 1961;
- 2) moved into this county from some other county or state during this period;
- 3) or you yourself may have done so, then,

PLEASE fill out the form below and return at once to:

TRI STATE AMATEUR RADIO SOCIETY
P.O. BOX 51
EVANSVILLE, 6, INDIANA.

This applies to all calls issued, whether novice, conditional, technician or what.

The original directory was very successful so help us get the corrections out.
